## CONFIDENTIALITY

Our clients' industries are extremely competitive. The confidentiality of companies' plans and data is obviously critical. Oliver Wyman will protect the confidentiality of all such client information.

Similarly, management consulting is a competitive business. We view our approaches and insights as proprietary and therefore look to our clients to protect Oliver Wyman's interests in our proposals, presentations, methodologies and analytical techniques. Under no circumstances should this material be shared with any third party without the written consent of Oliver Wyman.
